Lepman Brothers Holdings Inc.
Attn Casey Burton Esq.

Dear Sir

Hello My name is Michael Alexis Cohen Sr.
I am a long time client of Lepman Brothers
I am writing you in regard to the matter of
the Court's objection to claims (Late-filed
claims)

In regard to late-filed claims being dis-
allowed and or expunged, I object to this
matter for many reasons. The first reason
that I object to this claim is on the ground
that the Court advisor when called upon failed
to provide me with nothing related statements
and also he (she) never provided me with
the necessary accounts information such as
my account(s) numbers which are 6250
and 9662 respectively.

Through your staff's incompetent behavior it
may seem that I may lose my inheritance
asset. Please be advised that I phoned Lepman
Brothers several times in the recent past prior
to their filing for Chapter 11 Bankruptcy, to
gain access to my account and deposit
tried to contact Bankruptcy Capital, to be
avail. I failed numerous times in my
attempts to gain satisfaction and have my
account turned over to me.

Please reclassify my claim and
return my assets to me.

Furthermore, I was never sent any
statements and I never received a Banknote
notice in the mail or any other correspondence
in this matter. I also never signed over
over any assets to anyone. So please
verify my signature as opposed to the one
received in the Summer of 2007.

Yours truly,
Michael Alexis Capron Sr.
